A Correction on

Analysis of characteristics among unemployed callers to the psychological support hotline in Beijing

By Li X, Liu Z, Wu T, Yuan Z, Wang W, Zhao L, Yang S and Liang H (2025). *Front. Psychiatry* 16:1658354. doi: 10.3389/fpsyt.2025.1658354

An incorrect **Funding** statement was provided. This originally read: “The author(s) declare that no financial support was received for the research and/or publication of this article.” However, this research was funded by “Beijing Natural Science Foundation, China”. The correct **Funding** statement reads:

“This work was supported by Beijing Natural Science Foundation, China, under Grant No. 7182074. The project title is “Abnormal Serum Levels of NCAM/PSA-NCAM as Markers for Cognitive Impairment in Schizophrenia and Their Imaging Evidence”.”

The original version of this article has been updated.
