Reason for Corrigendum:

Due to an oversight by the authors, **Figures 3, 4** were switched. **Figure 3** displays the results of Experiment 1 (Mandarin-English bilingual infants) and **Figure 4** displays the results of Experiment 2 (Mandarin monolingual infants). The authors apologize for this mistake. This error does not change the scientific conclusions of the article in any way.

FUNDING

This research was supported by a grant from the National University of Singapore, Singapore to LS (HSS R-581-000-178-646), to a Ministry of Education Tier 1 Academic Research Fund (FY2013-FRC2-009) grant to LS, and to a grant from the Singapore Children's Society to CF.

ACKNOWLEDGMENTS

We are grateful to Aloysia Tan, Desirene Poon, and Xian Hui Seet for assistance for assistance with stimulus recordings and to Cathi Best, Janet Werker, and Chris Fennell for methodological guidance.

Conflict of Interest Statement: The authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.
