What the Heck Is Saliency? How Predictive Language Processing Contributes to Sociolinguistic Perception

by Jaeger, T. F., and Weatherholtz, K. (2016). *Front. Psychol.* 7:1115. doi: 10.3389/fpsyg.2016.01115

In the original article, the reference for Shaw et al. (2015) was incorrectly written as:

Shaw, J. A., Catherine, T. B., Karen, E. M., Gerard, D., Bronwen, G. E., Paul, F., et al. (2015). "Effects of short-term exposure to unfamiliar regional accents: Australians' categorization of London and Yorkshire English consonants," in *Proceedings of the 15th Australasian International Conference on Speech Science and Technology* (Christchurch), 3–5.

It should be:

Shaw, J. A., Best, C. B., Mulak, K. E., Docherty, G. J., Evans, B. G., Foulkes, P., et al. (2015). "Effects of short-term exposure to unfamiliar regional accents: Australians' categorization of London and Yorkshire English consonants," in *Proceedings of the 15th Australasian International Conference on Speech Science and Technology* (Christchurch), 3–5.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way.

The original article has been updated.
