## A corrigendum on

### Watching More Closely: Shot Scale Affects Film Viewers' Theory of Mind Tendency But Not Ability

by Rooney, B., and Bálint, K. E. (2018). *Front. Psychol.* 8:2349. doi: 10.3389/fpsyg.2017.02349

In the original article, we referred to Canini et al., 2013. This was an error. It should be Canini et al., 2011. In the reference section the reference was incorrectly written as:

Canini, L., Benini, S., and Leonardi, R. (2013). Classifying cinematographic shot types. *Multimed. Tools Appl.* 62, 51–73. doi: 10.1007/s11042-011-0916-9

The correct reference should be:

Canini, L., Benini, S., and Leonardi, R. (2011). "Affective analysis on patterns of shot types in movies," in *Proceedings of the 7th International Symposium on Image and Signal Processing and Analysis (ISPA 2011)*.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way.

The original article has been updated.
