A corrigendum on

Facial expressions and emotion labels are separate initiators of trait inferences from the face

by Stahelski, A., Anderson, A., Browitt, N., and Radeke, M. (2021). Front. Psychol. 12:749933. doi: 10.3389/fpsyg.2021.749933

In the published article, there was an error in Figure 1. The wrong images were used in the original figure. The corrected Figure 1 and its updated caption are shown below.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
