developing countries, solid fuels, clean fuels, under-five children, acute respiratory infection (ARI)

A corrigendum on

Association of household fuel with acute respiratory infection (ARI) under-five years children in Bangladesh

by Islam, M. A., Hasan, M. N., Ahammed, T., Anjum, A., Majumder, A., Siddiqui, M. N-E-A, Mukharjee, S. K., Sultana, K. F., Sultana, S., Jakariya, M., Bhattacharya, P., Sarkodie, S. A., Dhama, K., Mumin, J., and Ahmed, F. (2022). *Front. Public Health*. 10:985445. doi: 10.3389/fpubh.2022.985445

In the published article, there was an error in affiliation 6. Instead of “School of Accounting and Finance, University of Greenwich, London, United Kingdom”, it should be “Department of Banking and Insurance, University of Chittagong, Chittagong, Bangladesh”.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
