A Corrigendum on

Association between Chinese visceral adiposity index and risk of new-onset hypertension in middle-aged and older adults with prediabetes: evidence from a large national cohort study

by Li, L., Xi, L., and Wang, Q. (2025). *Front. Public Health*. 13:1509898.
doi: 10.3389/fpubh.2025.1509898

In the published article, there was an error regarding the affiliations for Linqiang Xi. As well as having affiliation 3, they should also have the affiliation “Department of Cardiology, The Sixth Affiliated Hospital of Jinan University (Dongguan Eastern Central Hospital), Dong Guan, Guangdong, China”. This has been added as affiliation 4.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
