## A Corrigendum on

[What Chicago community organizations needed to implement COVID-19 interventions: lessons learned in 2021](#)

by Moskowitz, D. A., Silva, A., Castañeda, Y., Battalio, S. L., Hartstein, M. L., Murphy, A. M., Ndebele, S., Switalski, M., Lomahan, S., Lacson, L., Plum, A., Canty, E., Sandoval, A., Thomas, P., De Pablo, M., Spring, B., and Martin, M. (2023). *Front. Public Health*. 11:1221170. doi: 10.3389/fpubh.2023.1221170

In the published article, there was an error in the Funding statement. It originally stated:

This research is supported by a grant from the National Institutes of Health, OT2HL161610 (Martin, Lynch, Margellos-Anast, Murphy, Peek, Silva, and Spring). The content is solely the responsibility of the authors and does not necessarily represent the official views of the National Institutes of Health.

The correct Funding statement appears below.

**Funding**

The author(s) declare that financial support was received for the research and/or publication of this article. This research was, in part, funded by the National Institutes

of Health (NIH) Agreement OT2HL158287 (Martin, Lynch, Margellos-Anast, Murphy, Peek, Silva, and Spring). The views and conclusions contained in this document are those of the authors and should not be interpreted as representing the official policies, either expressed or implied, of the NIH.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
