MetS, aging, NHANES, cross-sectional study, PhenoAge

## A Correction on

## Evaluating the impact of metabolic syndrome on aging in US adults: a cross-sectional study from NHANES

by Li, L., Wang, S., Yang, H., Xie, J., and Wang, M. (2025). *Front. Public Health* 13:1593214.  
doi: 10.3389/fpubh.2025.1593214

In the published article, there was an error in Affiliation section. Affiliation was erroneously given as “1 College of Medicine, Southwest Jiaotong University, Chengdu, China. 2 The Center of Obesity and Metabolic Diseases, Department of General Surgery, Affiliated Hospital of Southwest Jiaotong University, The Third People's Hospital of Chengdu, Chengdu, China.”

The correct affiliation appears below:

“<sup>1</sup> The Center of Obesity and Metabolic Diseases, Department of General Surgery, Affiliated Hospital of Southwest Jiaotong University, The Third People's Hospital of Chengdu, Chengdu, China.

“<sup>2</sup> College of Medicine, Southwest Jiaotong University, Chengdu, China.”

The original article has been updated.
