## KEYWORDS

life-safety, health, life-safety disparity index, model, China, life-safety guarantee zone

## A Correction on

[Life-safety disparity index: a comprehensive, valid, and reliable tool to assess Chinese people's life-safety performance](#)

by Ge, X., Wu, D., Shi, X., Zhang, J., Jiang, J., Zhang, B., and Wang, H. (2025). *Front Public Health* 13:1476051. doi: 10.3389/fpubh.2025.1476051

In the published article, there was an error in the Funding statement. It originally stated: "The author(s) declare that no financial support was received for the research and/or publication of this article." The correct Funding statement appears below.

## Funding

The author(s) declare financial support was received for the research and/or publication of this article. This work was supported by 1.3.5 Project for Disciplines of Excellence from West China Hospital of Sichuan University (No. ZYGD21007).

In the published article, the reference for [7] was incorrectly written as "Wang, H, Zhu, S, Zhang, J, You, L, Yin, Z, Zhu, Q, et al. China's life-safety strategy and countermeasures. Beijing: Citic Press Corporation. (2022) 12–15." It should be "Wang H, Zhu S, Zhang J, You L, Yin Z, Zhu Q, et al. *China's Biosecurity Strategy and Countermeasures*. Beijing: Citic Press Corporation (2022). p. 12–5."

In the published article, there was an error in the legend for Table 1 as published. The column headings "Weight (%)" in columns 2 and 5 should not include (%). The corrected legend appears below.

[Weight]

In the published article, there was an error in the year.

A correction has been made to Introduction, Paragraph 3. This sentence previously stated:

“As of 2020, the health insurance scheme reached a high point in coverage of 95%.”

The corrected sentence appears below:

“As of 2011, the health insurance scheme reached a high point in coverage of 95%.”

The original version of this article has been updated.
