A Corrigendum on

Oral pre-exposure prophylaxis implementation in South Africa: a case study of USAID-supported programs

By Milimu JW, Parmley L, Matjeng M, Madibane M, Mabika M, Livingston J, Lawrence J, Motlhaoleng O, Subedar H, Tsekoa R and Mthembu Z (2024). Front. Reprod. Health 6:1473354. doi: 10.3389/frph.2024.1473354

Text Correction

In the published article, there was an error. [“Specifically, in the introduction, there is a reference to the South African Health Products Regulatory Authority, which has been abbreviated twice as “SAPHRA.” However, the correct abbreviation is “SAHPRA.”]

A correction has been made to [Introduction], [Paragraph Numbers 69 & 81]. This sentence previously stated:

“[SAPHRA]”

The corrected sentence appears below:

“[SAHPRA]”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.

Request to add ORCID identifiers for two authors

The first and second authors would like to request that their ORCID identifiers be linked to the published article. The respective names and ORCID identifiers are as shown below.

Jerome Wendoh Milimu (0000-0002-3383-2087)

Lauren Parmley (0000-0001-5119-5811)

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
