ageing, clinical complexity, exercise therapy, physical exercise, active ageing, multidimensional approach

A Corrigendum on

Ageing, clinical complexity, and exercise therapy: a multidimensional approach

By Corrao S, Cerasola D, Lucini D and Argano C (2025). Front. Sports Act. Living 6:1422222.
doi: 10.3389/fspor.2024.1422222

In the published article, there was a mistake in the Funding statement. The following funding statement was reported incorrectly: “The author(s) declare that no financial support was received for the research, authorship, and/or publication of this article”.

The correct funding statement appears below.

FUNDING

“This work was supported by the Italian Ministry of Health and by Regione Sicilia (project ID NET-2018-12367032-4)”.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
