A Correction on

Padel vs. tennis doubles: a comparison of performance demands and game attributes

By Paulauskas R, Šakinis D and Figueira B (2025). Front. Sports Act. Living. 7:1540424. doi: 10.3389/fspor.2025.1540424

In the published article, an incorrect symbol was mistakenly used in the abstract.

The original sentence read:

“All variables compared between Tennis and Padel showed statistical differences ($p > 0.05$)”

This has been corrected to read:

“All variables compared between Tennis and Padel showed statistical differences ($p < 0.05$)”

The original version of this article has been updated.
