In the published article, there was an error in Dr. Catherine Belloc's affiliation. The affiliation "Biologie, Épidémiologie et Analyses de risque en santé animale (BIOEPAR), ONIRIS-INRAE, Nantes, France", was assigned to Dr. Belloc; this should be replaced with "Oniris, INRAE, BIOEPAR, Nantes, France".

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
