Correction: Nanoplastics in aquatic systems: challenges and advances in adsorptive removal technologies

Mahrosh Javed* and Galina Lujaniene

Department of Environmental Research, Center for Physical Sciences and Technology (FTMC), Vilnius, Lithuania

KEYWORDS

plastic pollution, nanoplastics, adsorption, water treatment, biocompatible adsorbents, environmental protection

A Correction on

[Nanoplastics in aquatic systems: challenges and advances in adsorptive removal technologies](#)

by Javed, M., and Lujaniene, G. (2025). *Front. Water*. 7:1611558.
doi: 10.3389/frwa.2025.1611558

In the published article, there was a mistake in the name of department. The affiliation for the Department name was displayed as Department of Environmental Studies. The correct statement is “Department of Environmental Research.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original version of this article has been updated.
